Protecting God's Children Workshops

The Archdiocese of Detroit's "Protecting God's Children" workshop is held periodically throughout the Archdiocese. EVERY classroom or lunchroom volunteer or employee needs to have attended. To find a session that fits your schedule, go to www.virtus.org and select "First Time Registrant." Then choose "view list" of class sites, and choose "Detroit." Scroll through to find your session, then go back to the top of that page to create your login.

When attending a "PGC" workshop, be sure to be on time, as the Archdiocese does not allow latecomers to enter.

All volunteers working with children must have attended a "PGC" workshop. **Remember: you need to complete this workshop in order to volunteer for field day or camp or to chaperone field trips.**

If you have recently attended a "PGC" workshop, please send a copy of your certificate to school ASAP so we have it on file--thank you!

The SCRIP OFFICE will be closed as long as school is.

Thank You!!

...to everyone who has already turned in their re-registration paperwork! If you missed Monday's "no contact" turn in, **you can drop it off tomorrow 9am-noon or 6-8pm:** Mrs Steinmetz will be at school waiting for you to leave your paperwork in the box at the door, and will retrieve it right after you leave.

Registration for 2020-21

Registration packets for the 2020-21 school year went home with your oldest "Crusader" in a blue folder in March. Registrations were due today for the "early registration discount," but that's being extended to tomorrow: **deliver your completed registration to school by tomorrow (9am-noon or 6-8pm) to be eligible for the "early" discount!** (The packet that went home with your student also included financial aid information--it is time to apply for that, too!)

Hoping to lessen COVID's possible "cash flow" impact to our families, **we are delaying the standard, 10-payment tuition plan by a month.** From 2020-21 on, the first tuition payment will be due by the end of June, and the last by the end of March.

Archdiocesan Grants

Applications for tuition assistance from the Archdiocese of Detroit for 2020-21 are now being accepted. For information go to: detroitcatholicsschools.org/tuition-assistance-scholarships

To apply for the Archdiocesan grant: go to your FACTS account and look for "apply for tuition assistance". Application is done online, and there is a small fee. **You will also need to print the "Pastor's Signature" page and get your (Archdiocese of Detroit parish) pastor's signature as part of your application.** After you have his signature, fax or email the Pastor Signature page to the school office: school@holycrossonline.net.

Your application and all supporting paperwork must be complete and submitted by May 15 in order to qualify for tuition assistance from the Archdiocese of Detroit. **Applying for this grant is required if you plan to apply for "local" tuition help, as well—PLEASE APPLY ASAP if you hope for any tuition assistance for 2020-21!**

Distance Learning Info

We may not return to "in-school" classes before the end of this school year. However, that does not change our working online: and Mrs. Davenport and the teachers are proud of how hard your students have been working. The Archdiocese of Detroit has assured us that we are not subject to the recent questions on the acceptability of distance learning, and Holy Cross students are on track to finish the year as planned.

Here are a few notes to help distance learning run smoothly:

- Parents: **accept teachers'** invitations to join Google classrooms (email the school or your teacher if you don't remember having been invited).
- Parents and students: please **check your emails several times each day** and respond as needed or requested.
- Students: teachers are available for you from 7:30am to 3:30pm each day. **Log in and do your work early in the day!** Your teacher may not receive your email until the next day if you send it after 3pm.
- Instruction and class work time should take **approximately 4 hours** each day. If you are having trouble, please let your teacher know right away.

CORONAVIRUS

We continue to stay in daily contact with the Health Department, and are reviewing and updating our protocols and procedures.

The Health Department advises everyone to maintain cleanliness of frequently-touched surfaces (e.g. door-knobs, light switches, desks, keyboards, countertops, bathroom surfaces...). They also advise teaching and reviewing proper handwashing techniques and other ways of reducing disease transmission (e.g. coughing or sneezing into a tissue or elbow) with children.

When we are able to return to school: school policy requires students who have flu-like symptoms or a fever to remain away from school. Reducing a fever with medication does **not** eliminate the cause of the fever, and **the student must still stay away from school** until the fever is gone naturally.

Please keep saving those entire paper VG's receipts, including the "Direct Your Dollars" paragraph. ("E-receipts" are not accepted.) We will continue to collect those receipts until the store tells us to stop! Receipts can be dropped off at the school office (or SCRIP office) when you're out and about, or turned in at the rectory, or in the box at the river entrance at church.

"The Blue Room"

Are your children outgrowing their school clothes? Remember our "Blue Room"--full of used school clothing donated by school families, and free to school families. Call the school office after the quarantine order is over, and we'll figure a time for you to check it out.

The \$10 card includes a free large one-item pizza: hard to go wrong! PTO also has a few "vintage" t-shirts (last year's logo) and caps available at the school office: \$5.

East China School District "Grab and Go Meals"

Teacher Appreciation Week

Next week is "Teacher Appreciation Week." Especially during these crazy times, your teacher will appreciate a "love note" from you!

A Plea On Behalf of your Parish:

Your parish needs you now more than ever. Please keep your pastor and his staff in your prayers during this pandemic crisis. And--if you are able--please continue to send in your "tithe" or weekly donations. Just as your household has ongoing expenses regardless of Governors' orders, your parish, also, has such needs, and no other way to meet them than its parishioners and other donors.
