March 12, 2020

Dear Holy Cross Catholic School Families,

As details, recommendations, and mandates are unfolding about COVID-19 (Coronavirus); we are making necessary decisions and changes to ensure the safety of our students, staff, and families. The following updates are decisions made as of 2:00pm on Thursday, March 12, 2020:

- Tonight's boys basketball game against Richmond Middle School has been proactively postponed.
- 7th-8th grade field trip to the DIA on Thursday, March 19, 2020 has been canceled.
- Kindergarten-4th grade field trip to Macomb Performing Arts on Tuesday, March 31, 2020 has been canceled.
- Kindergarten-4th grade students will be bringing their Chromebooks and chargers home today in their backpacks. They should not remove them from their backpacks unless school is canceled and we move to e-learning (instructions and information will be sent home about this should this occur). They should come to school each day with their Chromebooks and chargers.
- 5th-8th grade students will also be bringing home their Chromebooks and chargers; however, they can utilize them if needed for homework, as usual. They need to bring their Chromebooks and chargers back to school each day.

These decisions are not intended to create hysteria. However, out of an abundance of caution, we are being proactive. We will continually monitor the situation and consult with the AOD Office of Catholic Schools and the St. Clair County Health Department.

Sincerely,

Mrs. Betsy Davenport  
Principal
