March 23, 2020

Dear Holy Cross Catholic School Families and Friends,

This morning, Governor Whitmer issued a new executive order, [Shelter In Place, Stay Home, Stay Safe](#). With this executive order, students are not to return to school until April 13, 2020 at this point. Today was our first day of distance learning and things went very well according to the feedback I have received from parents, students, and teachers. As our superintendent, Kevin Kijewski shared on Friday, May 20, 2020, our distance learning instruction will count toward our instructional requirements. As we adjust to our new return date, the Holy Cross Catholic School teachers and I will work together to continue distance learning instruction for your child(ren). You will receive an update on distance learning during the extra week of this school closure as we approach that time.

Our superintendent, Kevin Kijewski addresses this new executive order from Governor Whitmer in a letter [here](#). Please read his insight.

I will keep you updated as I receive any updates. Again, I want to thank you for your prayers, support, and patience during this time. I am praying for all of you and your families.

Sincerely Yours in Christ,

Mrs. Betsy Davenport  
Principal
